

PHCC 2nd Annual Talent Show: Contestant Selection

April 23rd, 2014

To all entries for the Palmer Historical Cultural Center Annual Talent Competition 2014, first and foremost - thank you, to each and every entrant. We were very, very pleased with our many, many talented entries this year. Between on-line entries and our auditions at Harmony Hall, we had quite a selection. With only 15 slots available for the first night of competition, each entry was scored by two independent judges. After a very difficult selection process, here is the list of contestants for our 2014 competition. To those artists not making this year's roster: Keep trying! Look for our open mic events in the future to enhance your performance skills. Keep coming back!
